## FOR IMMEDIATE RELEASE

### State Route 128 Slope Protection Project One-Way Traffic Control for Tuesday and Wednesday Night

**SONOMA COUNTY** – On Tuesday night, May 5, and Wednesday night, May 6, there will be one-way reversing traffic control all night on State Route 128, two miles west of the three-way intersection of North Cloverdale Boulevard/ North Redwood Highway/Oat Valley Road, and approximately 1.8 miles east of the Mendocino County line. Previously one-way traffic control has been in place during daytime hours when workers are present. Please be alert for workers and slow for the cone zone.

#### Construction Details

- One-way reversing traffic control will be in place during this project, and motorists should expect delays when traveling through the construction zone.
- **Big Rig and Large Vehicle Restriction:** Starting on **Monday, April 13**, the width of SR-128 roadway will be temporarily reduced at a hair-pin curve.
  - The segment of SR-128 between N. Cloverdale Blvd and SR-253 will be closed to big rigs with a king pin to rear axle length longer than 30 feet.
  - Recreational vehicles and buses **longer than 40 feet** will also be restricted from the construction zone. **Drivers of vehicles longer than 40 feet are strongly urged to use the detour route.**
  - **Exception: this restriction does not apply to logging trucks with a trailer swivel.**
  - Access to the highway will be controlled by the California Highway Patrol.
  - **Detour:** Big rigs and large recreational vehicles will be detoured to State Route 253. The detour adds approximately 16 miles and 20 minutes of additional travel time.
  - The restriction will be in effect for about two months or less, depending on weather conditions.

If this work is delayed due to weather conditions, it will be rescheduled for a later time. Please drive cautiously through the construction zone, leave a safe traveling distance between your vehicle and the vehicle ahead of you, and Slow for the Cone Zone.
